Our Areas of Focus

“ GNTI qualifies, improves, and develops the knowledge and skills of the Saudi workforce across four core disciplines essential to the national labor market. ”

01

Fire Service

NFPA-aligned fire-safety training.

02

Fire Safety

NFPA-aligned firefighting, prevention, inspection training.

03

Occupational Safety & Health

Workplace safety, risk assessment, incident investigation and compliance.

04

Leadership & Management

Professional development for supervisors, managers and executives.

05

Industrial Security

Guarding, supervision and protection-officer certification programs.

How We Deliver Excellence

01

Certified Expertise

Attracting outstanding, certified and qualified Subject Matter Experts and trainers across every specialization.

02

Customer Focus

Meeting and exceeding customer expectations throughout every training engagement.

03

International Practice

Conducting training in line with the best international practices and standards.

04

Strategic Partnerships

Holding strategic partnerships with global training entities and accreditation bodies.

03

Occupational Safety & Health

Workplace risk management, incident response and safety compliance training.

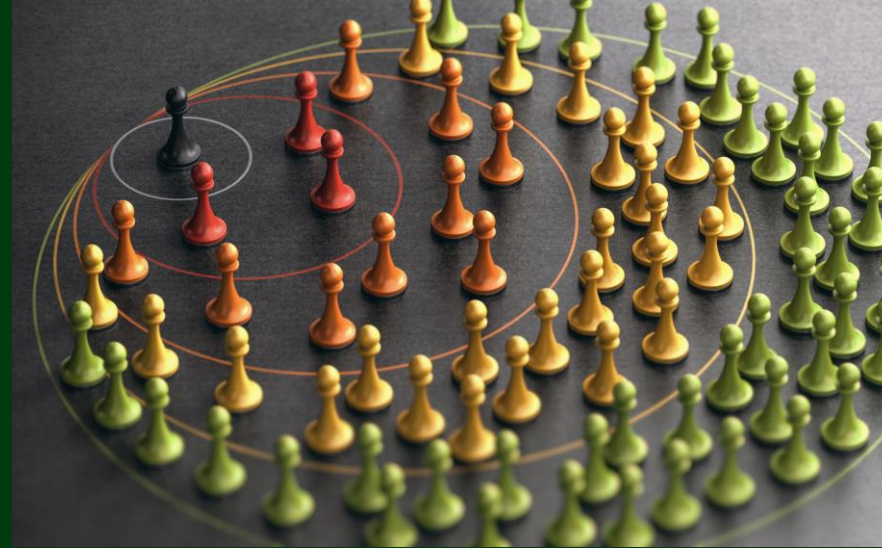

Occupational Safety & Health Programs

SN	Course	Accreditation	Duration
1	First Aid & CPR	ACBPT	8 hrs.
2	Basic Life Support (BLS)	ACBPT	8 hrs.
3	Defensive Driving	ACBPT	8 hrs.
4	General Industrial Safety	ACBPT	30 hrs.
5	Permit To Work (Issuer and/or Receiver)	ACBPT	16 / 8 hrs.
6	Safety Risk Assessment	ACBPT	24 hrs.
7	Incident Root Cause Analysis	ACBPT	16 hrs.
8	Accident Investigation & Report Writing	ACBPT	24 hrs.
9	Safety Technical Audit	ACBPT	24 hrs.
10	Office Safety	ACBPT	8 hrs.

**Any training program could be customized to align with organization's need*

04

Leadership & Management

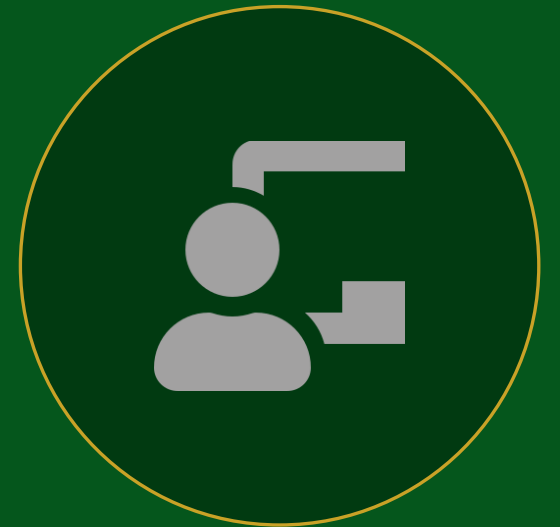

Specialized technical training paired with leadership development for career growth.

Why Leadership Matters

GNTI believes specialized technical training alone is not enough to build a competent professional. Leadership and management training adds direct value to an employee's performance and long-term career — delivered under accreditation from the American Canadian Board for Professional Training (ACBPT).

SEVEN DEVELOPMENT TRACKS

- | | |
|---|----------------------------------|
| 01 Leading Self | 02 Leading Others |
| 03 Creative Thinking & Problem Solving | 04 Learning & Development |
| 05 Communication | 06 Planning |
| 07 Customer Service | |

Leading Self & Leading Others

SN	Course	Accreditation	Duration
LEADING SELF			
1	Success Habits for Professionals	ACBPT	24 hrs.
2	Be Professional	ACBPT	24 hrs.
